*Central stations, but auxiliary to regular recruiting stations.

Any change of location of a recruiting station should be promptly reported by the recruiting officer to The Adjutant General's Office.

OFFICERS OF THE ARMY DETAILED AS PROFESSORS OF MILITARY SCIENCE AND TACTICS AT EDUCATIONAL INSTITUTIONS.

OFFICERS DETAILED UNDER SECTION 1225, R. S., AS AMENDED BY THE ACTS OF CONGRESS APPROVED SEPTEMBER 26, 1888; JANUARY 13, 1891, AND NOVEMBER 3, 1893.

NOTE.—Under the provisions of General Orders, No. 155, War Department, July 24, 1907, these institutions are divided into five classes, as follows:

CLASS A.—Schools or colleges whose organization is essentially military, whose students are habitually in uniform, in which military discipline is constantly maintained, and one of whose leading objects is the development of the student by means of military drill, and by regulating his daily conduct according to the principles of military discipline.

CLASS B.—State land-grant or agricultural colleges established under the provisions of the act of Congress of July 2, 1862, and which are required by said act to include military tactics in their curriculum.

CLASS B A.—Any college of Class B which attains the state of efficiency required for schools or colleges of Class A shall be classed as B A.

CLASS C.—All schools or colleges not essentially military which maintain a course of military instruction equal or superior in character and hours of instruction to that required of institutions of Class B.

CLASS D.—All other schools or colleges at which officers of the Army may be detailed and which do not maintain a course of military instruction equal to that required of institutions of Class B, and at which such instruction is regarded as nominal.

Six institutions whose students have exhibited the greatest application and proficiency in military training and knowledge during the year are designated annually as "Distinguished Institutions." An asterisk against the name of an institution indicates that it is one of those that have been so designated, the year or years in which it was designated being placed after the name of the institution.

State.	Name of institution.	Class.	Name and rank of detailed officer.	Reported for duty.

*Central stations, but auxiliary to regular recruiting stations.

Any change of location of a recruiting station should be promptly reported by the recruiting officer to The Adjutant General's Office.

OFFICERS OF THE ARMY DETAILED AS PROFESSORS OF MILITARY SCIENCE AND TACTICS AT EDUCATIONAL INSTITUTIONS.

OFFICERS DETAILED UNDER SECTION 1225, R. S., AS AMENDED BY THE ACTS OF CONGRESS APPROVED SEPTEMBER 26, 1888; JANUARY 13, 1891, AND NOVEMBER 3, 1893.

NOTE.—Under the provisions of General Orders, No. 155, War Department, July 24, 1907, these institutions are divided into five classes, as follows:

CLASS A.—Schools or colleges whose organization is essentially military, whose students are habitually in uniform, in which military discipline is constantly maintained, and one of whose leading objects is the development of the student by means of military drill, and by regulating his daily conduct according to the principles of military discipline.

CLASS B.—State land-grant or agricultural colleges established under the provisions of the act of Congress of July 2, 1862, and which are required by said act to include military tactics in their curriculum.

CLASS B A.—Any college of Class B which attains the state of efficiency required for schools or collegesof Class A shall be classed as B A.

CLASS C.—All schools or colleges not essentially military which maintain a course of military instruction equal or superior in character and hours of instruction to that required of institutions of Class B.

CLASS D.—All other schools or colleges at which officers of the Army may be detailed and which do not maintain a course of military instruction equal to that required of institutions of Class B, and at which such instruction is regarded as nominal.

Six institutions whose students have exhibited the greatest application and proficiency in military training and knowledge during the year are designated annually as "Distinguished Institutions." An asterisk against the name of an institution indicates that it is one of those that have been so designated, the year or years in which it was designated being placed after the name of the institution.

State.	Name of institution.	Class.	Name and rank of detailed officer	Reported for duty.
